Rong Feng

LIGHTING DESIGN • THEATRE PRODUCTION • GAME DESIGN • VISUAL ART
rongfeng1203@gmail.com

EDUCATION

The Bishop Strachan School | Toronto, ON
Expected Graduation: 2027 | ***Grade 11 Average: 97%***
Selected Coursework: Computer Science (100%), Media Art (98%), Visual Art (98%), Design Technology (97%); AP Drawing exam score: 5

LIGHTING DESIGN & THEATRE LEADERSHIP

Lighting Design | Team Lead & Designer
Selected productions: Chicago Musical; Mid Summer Night; Cagebirds; A Wrinkle in Time
- Independently designed, programmed, and operated lighting for musicals and plays to support the music, story, and mood. Primarily self-taught through online tutorials with occasional technical support.
- Musical lighting work included about **255 lighting console cues** and **125 follow spot cues**.
- Instructed follow spot operators and mentored younger students in lighting design and operation.
- Spent an average of **5–6 hours per week** on musical lighting over **two months**.

Production Council | Co-Head
- Lead **around 20 students**, run weekly meetings, and plan council activities.
- Teach council members lighting design and stage management.

PIT Student-Led Play | Production Manager | Co-Lead
- Lead **around 30 students** across props, set, lighting, projection, and sound.
- Co-managed budgets with a faculty advisor. Organize rehearsals and meetings, lead after-school props and set workshops, track progress, and coordinate technical resources across school departments.

Stage Management | Stage Manager
Twelfth Night; Ghost Sonata
- Led **around 20 students** during Twelfth Night; managed blocking notes, schedules, attendance, and technical preparation.
- Called cues during live performances.
- Cleared the space beneath the stage for a light during Twelfth Night, learning to patch lights and change lighting channels.

GAME DESIGN & DIGITAL ART

Pentamania: Alchemy Madness | Producer, Game Designer & Lead Artist
National High School Games Academy, Carnegie Mellon Summer Pre-College | 2025
- Worked in a six-person team for three weeks to create a VR sandbox game published on Steam.
- Developed the original story idea and designed gameplay, worldbuilding, and visual direction.
- Led daily meetings, assigned tasks, and kept the team on schedule.
- The game was added to **13,442 Steam libraries** as of October 2026.

Drillage (Team 14) | Lead Artist & UI Designer
National High School Games Academy, Carnegie Mellon Summer Pre-College | 2025
- Worked in a five-person team for one week; created the title screen, character art, animation, and backgrounds.

- Connected sound, lighting, and visual effects to make player actions feel responsive; built lighting, post-processing, and interface elements in Unity.

VISUAL ARTS, LEADERSHIP & SERVICE

Community service: **180+ verified volunteer hours** in total.

Intersection Exhibition | The Bishop Strachan School
- Exhibited artwork in the school's Intersection exhibition in Grades 8–11.

Photography Club | Co-Head
- Organize photography projects, school media resources, and guest talks on photography ethics.
- Support student participation in the Festival of Carols, Spirit Week, Hockey Day, and other school events.

East Asian Youth for Change | Graphic Designer
- Designed fundraising posters and Instagram content for East Asian Youth for Change.

Charity Knitting Club | Member
- Knitted scarves for local churches supporting people experiencing homelessness.
